

SPRING PHOTOGRAPHY

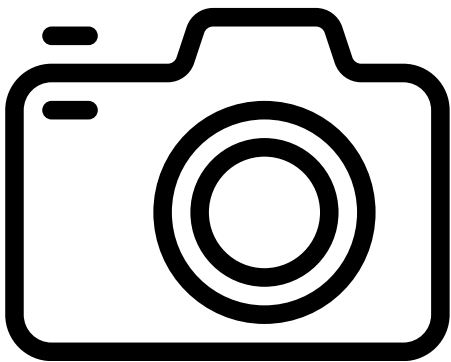

Explore the joys of spring in your local area, and take some artistic photographs to share with us. Take photos of your natural environment

60 minutes

EQUIPMENT

- A Camera/ Phone
- Outdoor Area

TASK INSTRUCTIONS

1. Head outside and take at least 10 photographs that represent Spring and Growth. These must only be of the natural environment or animals.
2. Think about the different styles of photographs you could take. Have a look at the next page for help.
3. Make a card or a poster using your images.
4. Don't forget to share these with us on the EastEnglandScouts Facebook Page

This activity goes towards badge requirements for;

BEAVERS
